Dr. W.G. Farlow
Harvard University
Cambridge, Massachusetts

Dear Sir:

I am sending you under separate cover a number
of specimens of Meliolas which I trust will be
interesting to you.

Yours truly,

Professor of Plant Pathology

FLS-MEB

Urbana, Illinois
March 6, 1917

Dr. W.G. Farlow
24 Quincy Street
Cambridge, Mass

Dear Dr. Farlow:

Yours of the 1st received and also the very fine collection of algae which I have deposited in the university herbarium and which I assure you we appreciate very much.

Yours truly,

A handwritten signature in cursive script, appearing to read "F. L. Stevens". The signature is written in dark ink and is positioned above the typed name of the sender.
